Suggested Scheme 1

NOTES TO HOMEOWNERS: Schemes are suggestions only. Approved colors may be used interchangeably. All repaint projects must be submitted to the governing board and approved, prior to painting. Colors have been updated to the nearest Perfect Palette color & may not be an exact match. These colors are not recommended for touch-ups; complete repaints only.

COLOR DISCLAIMER: These color chips are produced as accurately as possible; however, actual paint colors may vary from these samples and from batch to batch. Paint colors are affected by many factors, including lighting, age, type of finish, type of surface, and adjacent colors. Some colors may require more than one coat for complete coverage. If final color appearance and color matches are critical, paint should be sampled on the actual surface before full application. Application of the paint constitutes acceptance of the color.
