

Stonebridge Gardens Homeowners Association

AMERICAN FLAGPOLE AND FLAG FLYING POLICY

Adopted by written consent by the Board of Directors

The Stonebridge Gardens Homeowners Association by written consent hereby adopts the following policy relating to flag flying and flagpoles:

RESOLVED:

Flagpoles may be installed on individual lots within the entry courtyard or back patio with the following restrictions:

- Poles may not exceed 12 feet in height.
- Poles must be brushed aluminum.
- Poles must be maintained as needed on an ongoing basis.

Flying the American flag is permitted with the following restrictions:

- Only the American flag is permitted.
- Size of the flag may not exceed 3 x 5 (2x3 is recommended).
- Flag must be flown using proper flag flying etiquette (examples are):
 - Flag must be illuminated when flown at night.
 - Flag must be removed during inclement weather.
 - Flag may never be allowed to touch the ground.
 - Flag must be in good repair, no tatters, fading etc.

Homeowners are encouraged to fly the American flag from the home bracket. If you elect to place a pole, you must follow the above guidelines. Architectural Committee approval for placement is required in advance of installation of a pole. No approval is necessary for bracket use. Proper etiquette is required for both choices.
