

# Greater Granville Community Newsletter January 2019

## Upcoming Projects

We will be having some maintenance work done in the community beginning in January. Please remove all personal items and decorations from the front common areas and from the back of buildings by January 5, 2019.

## Pets

Please keep pets on a leash at all times when in the community areas. Also remember, owners must immediately remove the accidental defecations (ie: poop) their pets leave in the common areas and patios. Not only is it the courteous thing to do, but it is against the law not to pick up after your pets.

## Vehicles & Parking

We'd like to remind all residents that vehicle repairs should not be completed in the community. Please also remember to park in your designated parking space only and refrain from blocking more than one space in the open parking.

## Don't be in the Dark

The Association communicates with owners in various ways, so it is important that we have your correct contact information. Be sure to provide an updated mailing address, email and phone number to Vision Community Management at [ExeterPlace@WeAreVision.com](mailto:ExeterPlace@WeAreVision.com) or (480) 759-4945 so you aren't left out of important community notices and updates!

**The Board wishes everyone a very happy and safe holiday season!**
