NOW, THEREFORE, subject to all provisions of this Declaration, Declarant hereby declares that the Property shall be held, conveyed, mortgaged, encumbered, leased, rented, used, occupied, sold and improved subject to the following declarations, limitations, covenants, conditions, restrictions and easements, all of which are for the purpose of enhancing and protecting the value and attractiveness of the Property, the Project and every part thereof, in accordance with the plan for the improvement of the Property and the division thereof into Lots and Common Area. All of the limitations, covenants, conditions, restrictions and easements shall constitute covenants which shall run with the land and shall be binding upon

ARTICLE 2

Description of Project, Division of Property
and Creation of Property Rights2.1 Description of Project

The Project consists of the underlying Property, together with the Units and all other improvements located or to be located thereon.

2.2 Division of Property

The Property is hereby divided into the following freehold estates and areas:

2.2.1 Lots

Each of the Lots is separately shown, numbered and designated on the Map and excludes the Common Area.

2.2.2 Common Area

The remaining portion of the Property, referred to herein as "Common Area," shall include all of the elements set forth in Subarticle 1.6. Each Lot Owner shall have, as appurtenant to his Lot, a membership in the Association which shall hold title to the Common Area. The Common Interest appurtenant to each Lot is declared to be permanent in character and cannot be altered without the consent of all the Lot Owners and the First Mortgagees of such Lot Owners, as expressed in an amended Declaration, subject to the terms and provisions of Subarticle 10.2.1 herein. Such Common Interest cannot be separated from the Lot to which it is appurtenant. Each Lot Owner shall have a nonexclusive right to use the Common Area in accordance with the purposes for which it is intended without hindering the exercise of or encroaching upon the rights of any other Lot Owners. Notwithstanding the transfer of the Common Area to the Association by ABD, the Declarant, with the consent of ABD, shall reserve and hereby reserves in itself and its successors and assigns an easement over and onto the Common Area for common driveway purposes, for drainage and for encroachment purposes, for ingress and egress from the Common Area for the purpose of completing improvements thereon or for the performance of necessary repair work and for the development of additional Phases of the Project.

2.2.3 Recreational Common Area

That portion of the Property intended for common recreational purposes shall be part of the Common Area and as such shall be owned by the Association. The Recreational Common Area shall be operated and maintained by the Association for the use and benefit of Owners of Lots in the Project, subject to reasonable rules and regulations enacted according to the Bylaws.

2.3 No Separate Conveyance of Interests and Easements

The interests (including the Common Interest) and easements described in this Article 2 or elsewhere in this Declaration as being part of or appurtenant to each respective Lot are to be conveyed only with the respective Lot and can not be changed except as set forth herein. Declarant, its successors, assigns and grantees covenant and agree that the fee title to each Lot conveyed shall include the Unit and all of the interests and easements referred to in the preceding sentence, all of which shall be deemed to be conveyed or encumbered with the Lot even though the description in the instrument of conveyance or encumbrance may refer only to the fee title to the Lot.

2.4 Partition Prohibited

The Common Area shall remain undivided as set forth above. Except as provided by law, and subject to the terms and provisions of Subarticle 10.4.2 herein, no Owner shall bring any action for partition, it being agreed that this restriction is necessary in order to preserve the rights of the Owners with respect to the operation and management of the Project. Judicial partition by sale of a single Lot owned by two or more Persons and division of the sale proceeds is not prohibited hereby (but partition of title to a single Lot is prohibited).

2.5 Phased Plan of Development; Changes to Units in Subsequent Phases

Declarant currently owns or has rights in the Property described in Exhibit "A" under the Agreement and intends to develop that Property in several Phases. Only the first Phase, consisting of fifteen (15) Lots and all Common Area for the Project located on that Property described in Exhibit "C", is currently part of the Project, notwithstanding any other terms or provisions of this Declaration and the remainder of the Property described in Exhibit "A" will be subject to this Declaration in the manner and at the times set forth in this subarticle.

Effective on the date determined pursuant to the provisions of this subarticle below, the Property described in Exhibit "D" is hereby submitted to this Declaration as Phases two through eleven of the Project, and shall thereafter be subject to all of the terms, provisions, and conditions set forth herein. Phases two through ten shall contain fifteen (15) Lots respectively and Phase eleven shall contain eighteen (18) Lots, as shown on the Map with the numbered Lots listed in Exhibit "D".

In the event that the sequence of development described above is not followed, Declarant shall record an amendment to this Declaration setting forth the actual sequence of development. Until such time as the second Phase becomes subject to this Declaration in the manner provided below, the Project shall

consist of fifteen (15) Lots and the Common Area for the Project described in Exhibit "C".

Notwithstanding any other provision hereof, this Declaration shall be effective with respect to a particular Phase (except the original Phase consisting of the fifteen (15) Lots and Common Area described in Exhibit "C") on the date upon which Declarant or its successor or assign records a conveyance deed or Memorandum of Lease with respect to the first Lot in such Phase sold or leased to a member of the public purchasing a Lot in that Phase fully improved with a dwelling Unit, or Declarant or such successor or assign records a Notice Subjecting Phase to Declaration, which document specifically refers to this Declaration.

All intended and planned improvements located or to be located on the Common Area in a new Phase must be substantially completed prior to the conveyance of the first Lot therein and the conveyance of the Common Area to the Association or the recordation of a Notice, which will bring that Phase within the provisions of this Declaration, and all such improvements must be consistent with the improvements built in the Project as originally constituted under this Declaration in terms of quality of construction.

All taxes, assessments, mechanic's liens, and other charges affecting the Common Area in a new Phase, covering any period prior to the subjecting of said Property to this Declaration shall be paid or otherwise provided for by Declarant (or its successor or assign seeking to bring the new Phase within this Declaration) in a manner satisfactory to the Federal Housing Administration or Veterans Administration before the subjecting of said Property to this Declaration so that any liens arising in connection upon said Property will not adversely affect the rights of existing Lot Owners.

Prior to subjecting Property to this Declaration pursuant to this subarticle, Declarant shall purchase, at Declarant's own expense, a liability insurance policy if required by and in an amount determined by the Federal Housing Administration or the Veterans Administration to cover any liability to which Owners of Lots in the Project might be exposed by reason of the new Phase or the construction of improvements thereon. This policy shall be endorsed "as owner's interest might appear."

After seven years from the recordation of this Declaration, the provisions of this subarticle shall be ineffective and inapplicable to effectuate the annexation of any Phases of the Project not yet then annexed through the procedures set forth herein. The foregoing sentence shall not affect any Phases

2403-00205

87 223289

already annexed into the Project as provided above on the date
seven years from the recordation of this Declaration.

Description of Project, Division of Property
and Creation of Property Rights

ARTICLE 3

Association, Administration, Membership and Voting Rights3.1 Association to Manage Common Area and Other Improvements

The management of the Common Area and other improvements which the Association is responsible for maintaining pursuant to this Declaration shall be vested in the Association in accordance with the Bylaws. The Owners of all the Lots covenant and agree that the administration of the Project shall be in accordance with the provisions of this Declaration, the Articles and the Bylaws of the Association, subject to the standards set forth in this Declaration and all applicable laws, regulations and ordinances of any governmental or quasi-governmental body or agency having jurisdiction over the Project. Any agreement for professional management of the Project or any agreement providing for services by Declarant (or any affiliate of Declarant) shall provide for termination by either party without cause or payment of a termination fee upon ninety (90) days' or less written notice and for cause upon thirty (30) days' or less written notice and without payment of a termination fee. Such agreement shall further provide for a reasonable contract term of from one (1) to three (3) years and be renewable only by consent of the Association and the other party.

3.2 Membership

The Owner of a Lot shall automatically, upon becoming the Owner of same, be a Member of the Association and shall remain a Member thereof until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically cease. Membership shall be in accordance with the Articles and the Bylaws of the Association.

3.3 Transferred Membership

Membership in the Association shall not be transferred, pledged or alienated in any way, except upon the transfer of ownership of the Lot to which it is appurtenant, and then automatically to the new Owner as provided in Subarticle 3.2 above. Any attempt to make a prohibited transfer is void. Upon the transfer of an ownership interest in a Lot, the Association shall record the transfer upon its books, causing an automatic transfer of membership as provided in Subarticle 3.2 above.

3.4 Classes of Membership

The Association shall have two (2) classes of voting membership established according to the following provisions:

3.4.1 Class A Membership

Class A Membership shall be that held by each Owner of a Lot other than Declarant (while two classes of membership exist), and each Class A Member shall be entitled to one (1) vote for each Lot owned. If a Lot is owned by more than one (1) Person, each such Person shall be a Member of the Association but there shall be no more than one (1) vote for each Lot.

3.4.2 Class B Membership

Class B Membership shall be that held by Declarant (or its successor) which shall be entitled to three (3) votes for each Lot owned by Declarant, provided that Class B Membership shall be converted to Class A Membership and shall forever cease to exist on the occurrence of whichever of the following is first in time:

3.4.2.1 The total outstanding votes held by Class A Members equals the total outstanding votes (tripled as above) held by the Class B Member; or

3.4.2.2 The fifth anniversary of the close of escrow for the sale of the first Lot by Declarant.

For purposes of determining the above conversion of Class B Membership to Class A Membership, the votes of the Members shall be calculated as though there were one hundred sixty-eight (168) Lots in the Project, said one hundred sixty-eight (168) Lots being the planned total of the Project as described on the Map, with the voting rights of all one hundred sixty-eight (168) Lots allocated to Declarant except for the voting rights for Lots which vest or have vested in other Lot Owners. In the event Declarant exercises its rights to annex all or a portion of the property described in Exhibit "C" as provided in Subarticle 2.5, the conversion of Class B Membership under Subarticle 3.4.2.1 shall be based upon said planned total number of Lots in the Property together with any additional Lots annexed from time to time, provided, however, that upon such conversion of Class B Membership by operation of Subarticle 3.4.2.1, the annexation of additional Lots shall not restore Class B membership rights to Declarant.

3.5 Voting Requirements

Any action by the Association which must have the approval of the Association membership before being undertaken shall require the vote of fifty-one percent (51%) of the membership present and voting at a duly called and held meeting of the membership at which a quorum as prescribed herein or in the Bylaws has been constituted or the written assent of fifty-one percent (51%) of the membership unless another percentage is specifically prescribed by a provision within this Declaration, the Bylaws or the Articles of the Association.

3.6 Voting Rights

Voting rights attributable to all Lots owned by Declarant shall vest immediately by virtue of Declarant's ownership thereof. Except for Declarant, no Owner of any Lot shall have any voting rights attributable to that Lot until an Assessment has been levied against that Lot and Owner by the Association pursuant to Article 4 below.

3.7 Membership Meetings

Regular and special meetings of Members of the Association shall be held with the frequency, at the time and place and in accordance with the provisions of the Bylaws of the Association.

3.8 Board of Directors

The affairs of the Association shall be managed by a Board of Directors which shall be established and which shall conduct regular and special meetings according to the provisions of the Bylaws of the Association.

End of Article 3 Entitled
Association, Administration, Membership and Voting Rights

ARTICLE 4

Assessments and Charges4.1 Creation of the Lien and Personal Obligations for Assessments and Charges

Each Owner of any Lot, by acceptance of a deed or recorded contract of sale therefor, whether or not it shall be so expressed in such document, is deemed to covenant and agree to pay to the Association (a) regular annual Assessments, (b) special Assessments for capital improvements and unexpected expenses and (c) other charges made or levied by the Association against the Owner or Lot pursuant to this Declaration or the Bylaws, including, but not limited to, late charges for delinquent assessments, such Assessments and charges to be established and collected as provided herein and in the Bylaws of the Association. A late charge of \$15.00 shall be assessed to the Owner in the event any Assessment is not paid within ten (10) days after the due date. Any part of any Assessment (or other amount due from the Owner to the Association, including interest and/or late charges) not paid within thirty (30) days after the due date for the Assessment established in this Article 4, Subarticle 10.14 or elsewhere in this Declaration shall bear interest at the rate of twelve percent (12%) per annum from the due date until paid. The annual and special Assessments and any other charge made against an Owner or a Lot pursuant to this Declaration or the Bylaws, together with interest, costs and reasonable attorneys' fees incurred by the Association in enforcing compliance with this Declaration (whether or not a lawsuit or other legal action is instituted or commenced) as provided in Subarticle 10.14.2, shall be a charge and a continuing lien upon the Lot (hereinafter "Assessment lien"). Each such Assessment and charge, together with interest, costs and reasonable attorneys' fees as provided above, shall also be the personal obligation of the Person who was the Owner of such Lot at the time the Assessment or other charge fell due as provided in this Article 4, Subarticle 10.14 or elsewhere in this Declaration, but this personal liability shall not pass to successor Owners unless specifically assumed by them. The Assessment lien on each Lot shall be prior and superior to all other liens except (a) all taxes, bonds, assessments and other levies which, by law, would be superior thereto and (b) the lien or charge of any First Mortgage on that Lot. No Owner of a Lot may exempt himself from liability for his contribution toward the Common Expenses by waiver of the use or enjoyment of any of the Common Area or by the abandonment of his Lot.

4.2 Purpose of Assessments

The Assessments by the Association shall be used exclusively to promote the recreation, health, safety and welfare of all the residents in the Project, for the improvement and maintenance of the Project as provided herein and for the common

good of the Project. Annual Assessments shall include an adequate reserve fund for taxes, insurance, maintenance, repairs and replacement of the Common Area and other improvements which the Association is responsible for maintaining.

4.3 Annual Assessments

The Board shall annually determine and fix the amount of the annual (calendar year) Assessment against each Lot, including those owned by Declarant at an amount not exceeding the maximum annual Assessment for the year in question as described below, and shall notify the Owner of each Lot in writing as to the amount of such annual Assessment not less than forty-five (45) days prior to the date that such Assessment is to commence. The annual Assessment against each Lot as fixed by the Board shall not exceed the maximum annual Assessment amount then in effect and shall not be decreased by more than twenty percent (20%) of the annual Assessment against the Lot for the prior calendar year without the affirmative vote of Declarant (while Class B Membership exists) and of two-thirds (2/3) of the voting power of Class A Members voting in person or by proxy at a meeting duly called for this purpose. Except as to the maximum annual Assessment amount for the first year as set forth below, the maximum annual Assessment amount shall be increased each year by the greater of (i) a percentage equal to the percentage increase, if any, in the Consumer Price Index - United States City Average for Urban Wage Earners and Clerical Workers - All Items (published by the Department of Labor, Washington, D.C.) for the year ending with the preceding July (or a similar index chosen by the Board if the above-described Index is no longer published), or (ii) five percent (5%) of the regular maximum annual Assessment for the previous year without the vote or approval of the Members of the Association; however the maximum annual Assessment amount may be increased by an amount in excess of the amount produced by the foregoing formula only if such increase is approved by the affirmative vote of Declarant (while Class B Membership exists) and of two-thirds (2/3) of the voting power of Class A Members voting in person or by proxy at a meeting duly called for this purpose. All annual Assessments shall be payable in twelve (12) equal monthly installments. In the year prior to January 1 of the year immediately following the close of escrow on the sale of the first Lot in the Project the maximum annual Assessment amount per Lot shall be \$780.00. The annual Assessment shall be prorated based on the number of months remaining before January 1 of such year as well as any partial months remaining and said sum shall be payable in equal monthly installments.

Notwithstanding anything to the contrary stated in this article, until Class B Membership is terminated pursuant to Subarticle 3.4.2 above, Declarant shall be obligated to pay only twenty-five percent (25%) of the annual Assessment amount fixed for Lots pursuant to this Subarticle 4.3, and shall pay said percentage of the annual Assessment amount in twelve (12) equal monthly installments in the same manner established for payment

of the annual Assessment amount by other Lot Owners, except that Declarant shall pay and be liable for the full Assessment amount for any Lot owned by it after said Lot and the Unit on the Lot are first rented or leased to or occupied by another Person. In the event said reduced Assessment amount for Lots owned by Declarant is insufficient to cover the reasonable share of those Lots' contribution toward insurance costs and depreciation reserves for the Project, as determined by generally accepted cost accounting methods, Declarant may elect to pay the full Assessment or the reduced Assessment amount increased by such amount monthly, in addition to said reduced Assessment amount for the Lots, as is necessary to cover those Lots' contribution toward the insurance cost and depreciation reserves.

Until Class B Membership is terminated pursuant to Subarticle 3.4.2 above or until Declarant elects to pay full Assessments as provided above, Declarant shall be responsible for the prompt payment on a current basis of all costs and expenses related to maintenance and repair of the Common Area and other areas required to be maintained by the Association hereunder as required in Subarticles 5.1 and 5.2 in the event and to the extent that the funds available to the Association are inadequate for payment of such costs and expenses on a current basis. Declarant's failure to perform the requirements contained in this Subarticle 4.3 shall constitute a default under this Declaration entitling any Lot Owner or First Mortgagee to record a notice of lien against Declarant's property interest in the Project to enforce the provisions of this subarticle.

4.4 Special Assessments

In addition to the regular annual Assessments authorized above, the Board may levy, in any Assessment year, a special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area or other improvements the Association is responsible for maintaining, including fixtures and personal property related thereto, or to defray any unanticipated or underestimated expense normally covered by a regular Assessment and, where necessary, for taxes assessed against the Common Area), and for any deficiency caused in whole or in part by delinquent assessments, provided however, that no such special Assessment shall be made without the affirmative vote of Declarant (while Class B Membership exists) and of two-thirds (2/3) of the voting power of Class A Members voting in person or by proxy at a meeting duly called for this purpose.

4.5 Notice and Quorum for Any Action Authorized Under Articles 4.3 and 4.4

Written notice of any meeting called for the purpose of taking any action authorized under Articles 4.3 or 4.4 shall be sent to all Owners not less than thirty (30) days nor more than

sixty (60) days in advance of the meeting. At the first such meeting called the presence of Members or proxies therefor entitled to cast sixty percent (60%) of all of the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. While Class B Membership exists, the quorum requirements described above shall apply to both classes and a quorum shall not exist for a meeting unless a quorum of each class is present.

4.6 Allocation of Assessments

The Owners of each Lot shall bear an equal share of each regular and special Assessment (except as provided in Subarticles 4.3 and 5.2).

4.7 Date of Commencement of Annual Assessment; Due Dates

The regular annual Assessments provided for herein shall commence as to each Lot in the Project on the first day of the month following the close of escrow on the sale of the first Lot in the Project by Declarant. Regular annual Assessments shall commence as to all Lots in any Phase which becomes subject to this Declaration under Subarticle 2.5 on the first day of the month following the effective date that Phase becomes subject to this Declaration. Due dates of Assessments shall be established by the Board and notice shall be given to each Lot Owner at least forty-five (45) days prior to any due date, provided that if Assessments are to be due on a monthly basis, no notice shall be required other than an annual notice setting forth the amount of the monthly Assessment and the day of each month on which each Assessment is due.

4.8 Transfer of Lot by Sale or Foreclosure

The sale or transfer of any Lot shall not affect the Assessment lien or liability for Assessments due and payable except as provided below. No sale or transfer of a Lot shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien therefor. Where, however, the First Mortgagee of a First Mortgage of record or another Person obtains title to a Lot as a result of foreclosure, trustee's sale or deed in lieu thereof of any such First Mortgage, such First Mortgagee or other Person shall not be liable for the share of the Common Expenses or Assessments by the Association chargeable to such Lot which became due prior to the acquisition of title to such Lot by such First Mortgagee or other Person, and the Assessment lien therefor on such Lot shall be extinguished. Such unpaid share of Common Expenses or Assessments shall be deemed to be Common Expenses collectible from all of the Lots. In a voluntary conveyance of a Lot, the grantee of the same shall not

be personally liable for Assessments or any other charges due to the Association in connection with that Lot which accrued prior to the conveyance unless liability therefor is specifically assumed by the grantee. Any such grantee shall be entitled to a statement from the Association setting forth the amount of the unpaid Assessments due the Association, and such grantee shall not be liable for nor shall the Lot conveyed be subject to a lien for any unpaid Assessments made by the Association against the grantor in excess of the amount set forth in the statement, provided however, the grantee shall be liable for any such Assessment becoming due after the date of any such statement.

4.9 Enforcement of Assessment and Other Monetary Obligations; Discipline; Remedies Cumulative

4.9.1 Enforcement and Foreclosure of Lien

When any Assessment or other amount due from an Owner to the Association on behalf of any Lot is not paid within thirty (30) days after the due date, the lien therefor may be enforced by foreclosure of the lien and/or sale of the Lot by the Association, its attorney or other Person authorized by this Declaration or by law to make the sale or as provided herein. The lien may be foreclosed and the Lot sold in the same manner as a realty mortgage and property mortgaged thereunder, the Lot may be sold pursuant to the statutory or customary procedures for sale of trust property under deeds of trust (with the Association acting as trustee) or the lien may be enforced or foreclosed in any other manner permitted by law for the enforcement or foreclosure of liens against real property or the sale of property subject to such a lien. Any such enforcement, foreclosure or sale action may be taken without regard to the value of such Lot, the solvency of the Owner thereof or the relative size of the Owner's default. Upon the sale of a Lot pursuant to this subarticle, the purchaser thereof shall be entitled to a deed to the Lot and to immediate possession thereof, and said purchaser may apply to a court of competent jurisdiction for a writ of restitution or other relief for the purpose of acquiring such possession. The proceeds of any such sale shall be applied as provided by applicable law but, in the absence of any such law, shall be applied first to discharge costs thereof, including but not limited to court costs, other litigation costs, costs and attorneys' fees incurred by the Association, all other expenses of the proceedings, interest, late charges, unpaid Assessments and other amounts due to the Association, and the balance thereof shall be paid to the Owner. It shall be a condition of any such sale, and any judgments or orders shall so provide, that the purchaser shall take the interest in the Lot sold subject to this Declaration. The Association, acting on behalf of the Lot Owners, shall have the power to bid for the Lot at any sale and to acquire and hold, lease, mortgage or convey the same. In the event the Owner against whom the original Assessment was made is the purchaser or redemptioner, the lien shall continue in effect and said lien may be enforced by the Association, or by the Board

for the Association, for the Lot's Assessment and other amounts that were due prior to the final conclusion of any such foreclosure, sale or equivalent proceedings. Further, notwithstanding any foreclosure of the lien or sale of the Lot, any Assessments and other amounts due after application of any sale proceeds as provided above shall continue to exist as personal obligations of the defaulting Owner of the Lot to the Association, and the Board may use reasonable efforts to collect the same from said Owner even after he is no longer a Member of the Association.

4.9.2 Suspension of Rights

In addition to all other remedies provided for in this Declaration or at law or in equity, the Board may temporarily suspend the Association voting rights and/or rights to use the Recreational Common Area of a Lot Owner who is in default in the payment of any Assessment or any other amount due to the Association as provided in the Bylaws.

4.9.3 Other Remedies

The rights, remedies and powers created and described in Subarticles 4.9.1, 4.9.2, 10.14 and elsewhere in this Declaration, the Articles or the Bylaws are cumulative and may be used or employed by the Association in any order or combination, except as specifically provided to the contrary herein. Without limiting the foregoing sentence, suit to recover a money judgment for unpaid Assessments, interest, rent, costs, attorneys' fees and/or other amounts due hereunder, to obtain specific performance of obligations imposed hereunder and/or to obtain injunctive relief may be maintained without foreclosing, waiving, releasing or satisfying the liens created for Assessments or other amounts due hereunder.

4.10 Unallocated Taxes

In the event that any taxes are assessed against the Common Area or the personal property of the Association, rather than against the Lots, said taxes shall be included in the Assessments made under the provisions of this article, and, if necessary, a special Assessment may be levied against all of the Lots in an amount equal to said taxes on a pro rata basis equal to the Common Interest appurtenant to each Lot.

ARTICLE 5

Duties and Powers of the Association5.1 Duties and Powers

In addition to the duties and powers enumerated in the Bylaws and the Articles, or elsewhere provided for herein, and without limiting the generality thereof, the Association shall:

5.1.1 Except as provided in Subarticle 5.2 and Subarticle 10.5, maintain, paint, repair, replace, restore, operate, manage and keep in good condition all of the Common Area and all facilities, improvements, furnishings, equipment and landscaping thereon. Further, the Association shall maintain, paint, repair, replace, restore, operate, manage and keep in good condition all landscaping, landscaping watering systems, decorative features ancillary to landscaping and related items located on the front yards of the Lots located outside the wall-enclosed patio or yard area on that Lot and visible from neighboring Lots and the private streets.

The Association shall not be responsible to maintain, paint, repair, replace, restore or keep in good condition the perimeter walls enclosing the patio or yard areas (including any decorative protrusions or extensions thereof), which shall be the sole responsibility of the Owner of the Lot, except as provided in Subarticle 9.2. Further, the Association shall not be responsible for watering any living vegetation, flora or cacti landscaping on front yards of the Lots, nor responsible for the replacement or restoration of the same should they die (or become unsightly) due to lack of adequate watering by the Owner. Owners shall be solely responsible for making arrangements to provide for the proper watering of front yard vegetation. In no event shall Owners turn off water line access during any period of extended absence from their Units for any reason and should any Owner fail to make arrangements for watering his front yard in his absence, the Association may, but shall not have the obligation, to water front yard landscaping on the Owner's behalf. Further, the Association shall not be responsible to maintain, repair, replace, restore, operate, manage or keep in good condition any utility lines, facilities or installations (except to the extent they provide water or other services for landscaping) or any other front yard improvements on any Lot, which shall be the sole responsibility of the Owner and/or providing utility, as applicable.

No Owner, occupant or user of any Lot shall (i) cause or allow any interference with the Association's performance of work on any Lot under this subarticle; or (ii) make any changes, alterations, deletions or additions to the front yard landscaping (which in any event shall be subject to Article 8 below) and other items for which the Association is responsible to provide maintenance, or other improvements of any kind which would, may

or might affect the Association's performance of work under this subarticle, interfere with such work or make it more difficult for the Association to perform such work, without the prior written approval of the Association. The Association's obligations under this subarticle shall not extend to the maintenance of any portion or facility of the Common Area or Lot required to be maintained by an individual Owner under this Declaration.

5.1.2 Enforce the provisions of this Declaration by appropriate means, including without limitation the expenditure of funds of the Association, the employment of legal counsel and the commencement of legal actions.

5.1.3 Maintain such policy or policies of insurance as are required by this Declaration or as the Board deems necessary or desirable in furthering the purposes of and protecting the interests of the Association and its Members.

5.1.4 Grant and reserve easements where necessary for utilities and sewer facilities over the Common Area to serve the Common Area and the Lots.

5.1.5 Have the authority to employ a manager or other Persons and to contract with independent contractors or managing agents to perform all or any part of the duties and responsibilities of the Association, subject to Subarticles 3.1 and 10.9 of this Declaration, the Bylaws and restrictions imposed by any governmental or quasi-governmental body or agency having jurisdiction over the Project.

5.1.6 Adopt reasonable rules not inconsistent with this Declaration, the Articles or the Bylaws relating to the use of the Common Area and all facilities thereon and the conduct of Owners and their tenants and guests with respect to the Project and other Owners. Without limiting the generality of the foregoing, the Association may adopt a schedule of fines for the violation of any provision of the Project Documents by any Owner or other Person and may impose the same pursuant to procedures adopted in the Bylaws.

5.2 Maintenance of Project by Association

The Association shall provide maintenance of the Common Area, and front yard landscaping and related items, as provided in Subarticle 5.1 and elsewhere in this Declaration. The Association shall not be responsible for maintaining and repairing Lots or Units or any improvements, equipment or other items thereon or therein, except as expressly provided herein to the contrary. The responsibility of the Association for maintenance and repair of the Common Area shall not extend to repairs or replacements arising out of or caused by the willful or negligent act or neglect of an Owner or his guests, tenants or invitees. The repair or replacement of any portion of the Common Area or any Lot resulting from such excluded items shall be the

responsibility of each Owner. The Association shall be entitled to commence an action at law or in equity to enforce this responsibility and duty and/or recover damages for the breach thereof. Liability, hereunder, shall be limited to that provided for or allowed in the statutory or case law of the State of Arizona.

5.3 Association Easements and Access to Lots

The Association shall have the right to grant permits, licenses, and easements over the Common Area for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance or operation of the Project. The Association has the right to enter Lots as provided in Subarticle 10.6 to perform its duties under this Declaration.

5.4 Custodian Lot

The Association shall have the power and authority, with the vote or written assent of a majority of the Members, to purchase a Lot (the "Custodian Lot") to be occupied by the custodian of the Project. In such case, during the period the Custodian Lot is owned by the Association:

5.4.1 No right to vote shall be exercised on behalf of the Custodian Lot; and the Custodian Lot shall be Common Area subject to this Declaration;

5.4.2 No Assessment shall be assessed or levied against the Custodian Lot; and

5.4.3 Each other Lot Owner shall be charged, in addition to his usual Assessment, his share of the Assessment that would have been charged to the Custodian Lot but for the provisions of this subarticle.

The rights and duties of the Owners of Lots within the Project with respect to utilities shall be as follows:

6.1.1 Whenever sanitary sewer, water, electric, gas, television receiving, telephone lines or connections, heating or air-conditioning conduits, ducts or flues are located or installed within the Project, which connections serve more than one Lot, the Owner of each Lot served by said connections shall be entitled to the full use and enjoyment of such portions of said connections as service his Lot.

6.1.2 In the event of a dispute between Owners with respect to the repair or rebuilding of said connections or with respect to the sharing of the cost thereof, then, upon written request of one of such Owners addressed to the Association, the matter shall be submitted to the Board which shall decide the dispute, and the decision of the Board shall be final and conclusive on the parties.

6.2 Easements for Utilities and Maintenance

Easements over and under the Common Area for the installation, repair and maintenance of sanitary sewer, water, electric, gas, telephone lines and facilities, heating and air-conditioning facilities, cable or master television antenna lines, drainage facilities, walkways and landscaping, as shown on the Map of the Property and as hereafter may be required to service the Property and all Lots thereon, are hereby created by Declarant in favor of public utilities and all Owners with such easements to be specifically located as reasonably determined by Declarant or the Association.

6.3 Association's Duties

The Association shall maintain all utility installations located in the Common Area, except for those installations maintained by utility companies, public, private or municipal. The Association shall pay all charges for utilities supplied to the Project except those metered or charged separately to the Lots, which shall be paid by the respective Owners of those Lots.

ARTICLE 7

Use Restrictions

In addition to all of the covenants contained herein, the use of the Property and Project and each Lot therein is subject to the following:

7.1 Use of Individual Lots

No Lot shall be occupied and used except for single family residential purposes by the Owners, their tenants and social guests, and no trade or business shall be conducted thereon, except that Declarant, its successors or assigns may use any Lot or Lots in the Project owned by Declarant for a model home or homes and display and sales office.

* 7.2 Nuisances

No noxious, illegal or offensive activities shall be conducted on any Lot or on any part of the Property, nor shall anything be done thereon which may be or may become an annoyance or a nuisance to, or which may in any way interfere with, the quiet enjoyment of each Owner of his respective Lot or which shall in any way increase the rate of insurance for the Project or cause any insurance policy to be cancelled or cause a refusal to renew the same or which will impair the structural integrity of any improvement on the Property. Any increase in the insurance premiums for the Common Area caused by an Owner shall be paid for by such Owner.

7.3 Vehicles; Parking

No vehicle, wagon, trailer, camper, mobile home or boat of any type which is abandoned or inoperative shall be stored or kept on any Lot or in front of any Lot in such manner as to be visible from any other Lot or any street or alleyway within or adjacent to the Project and no noisy or smoky vehicles shall be operated on the Property. No vehicles, wagons, trailers, campers, mobile homes or boats or other mechanical equipment may be dismantled or allowed to accumulate on any Lot or in front of any Lot. No commercial vehicle, camper, boat, trailer, mobile home or recreational vehicle or similar type vehicle shall be parked in front of a Lot or in a front driveway or otherwise on a Lot where it can be seen from any street, except for temporary parking only not exceeding four consecutive hours. Without limiting the foregoing, it is the intent of the Declarant to restrict on-street parking as much as possible. All vehicles of Owners and their guests and invitees are to be kept in the garages, or residential driveways of the Owners or in any areas designated by the Association wherever and whenever such facilities are sufficient to accommodate the number of vehicles at a Lot, provided, however, that the foregoing shall not be construed to permit the parking in the above described areas of any vehicle

whose parking is otherwise prohibited by this Subarticle 7.3 or elsewhere in this Declaration. Commercial vehicles shall not include sedans or standard size pickup trucks (3/4 ton capacity) which are used both for business and personal use, provided that any signs or markings of a commercial nature on such vehicles shall be unobtrusive and inoffensive as determined by the Architectural Control Committee.

7.4 Signs

Subject to the exemption of Declarant under Subarticle 10.9 below, no signs advertising Lots for sale or rent may be displayed on any Lot or elsewhere within the Project without the prior written approval of the Board. Without limiting the generality of the foregoing, the Board may designate a bulletin board located on the Common Area to which signs advertising Lots for sale or rent may be attached.

7.5 Animals

No animals or birds of any kind shall be raised, bred or kept on any Lot or on any portion of the Property, except that usual and ordinary household pets such as dogs, cats or birds may be kept, provided that they are kept under reasonable control at all times. Without limiting the foregoing, all cats and dogs shall be on leashes under control of the Owner or other Person while such animal(s) is (are) on the Project outside of the Owner's Unit. The Board may enact reasonable rules respecting the keeping of such animals within the Project and may designate certain areas in which such animals may be taken. In no event shall any pet be permitted within any portion of the Project designated as Recreational Common Area. The Association, by and through the Board, reserves the right to have such pets removed if the pets' behavior becomes objectionable to the Members of the Association, which right shall not be unreasonably applied.

7.6 Garbage and Refuse Disposal

All rubbish, trash and garbage shall be regularly removed from the Property and shall not be allowed to accumulate thereon. Trash, garbage and other waste shall not be kept except in sanitary containers. All equipment, garbage cans (other than those provided by the Association), woodpiles or storage piles shall be kept screened and concealed from view of the other Lots, streets and the Common Area.

7.7 Radio and Television Antennas

No alteration to or modification of a central radio or television antenna system or cable television system, whichever is applicable, if any, shall be permitted, and no Owner may be permitted to construct, use or operate his own external radio or television antenna without the consent of the Board.

7.8 Right to Lease

The respective Lots shall not be rented by the Owners thereof for transient or hotel purposes which shall be defined as (a) rental for any period less than thirty (30) days or (b) any rental if the occupants of the Lot are provided customary hotel service such as room service for food and beverages, maid service, laundry and linen service and bellboy service. Subject to the foregoing restrictions, the Owners of the respective Lots shall have the absolute right to lease the Lots, provided that the lease is in writing and is specifically made subject to the covenants, conditions, restrictions, limitations and uses contained in this Declaration and the Bylaws and any reasonable rules and regulations published by the Association. Any Owner who leases his/her Lot shall provide a copy of the lease to the Association within ten (10) days of its execution.

7.9 Clothes Lines; Window Coverings

No exterior clothes lines shall be erected or maintained and there shall be no outside laundering or drying of clothes. Furthermore, no clothing, laundry or other personal items are to be hung out on the patios or yard areas of the Units or Lots. No kind of foil or darkening screen shall be placed upon the windows of the Units, nor shall the patios or yard areas of the Units and Lots be used for storage purposes.

7.10 Power Equipment and Car Maintenance

No power equipment, work shops or car maintenance other than in enclosed garages ((except emergency work or minor repairs requiring less than one (1) day's work) shall be permitted on the Project without the prior written approval of the Board. Approval shall not be unreasonably withheld and in deciding whether to grant approval the Board shall consider the effects of noise, air pollution, dirt or grease, fire hazard, interference with radio or television reception and similar objections.

7.11 Lights

Except as may be initially installed by Declarant, no spotlights, flood lights or other external lighting shall be placed upon any Unit without the prior written consent of the Board.

7.12 Liability of Owners for Damage to Common Area

The Owner of each Lot shall be liable to the Association for all damages to the Common Area or improvements thereon caused by such Owner or any occupant, guest or invitee of or to his Lot. The Association shall be entitled to commence an action at law or in equity under Arizona law to enforce this obligation and/or recover damages for the breach thereof. In addition to the foregoing, damage to party walls is subject to the provisions of Article 9.

7.13 No Warranty of Enforceability

While Declarant has no reason to believe that any of the restrictive covenants contained in this Article 7 or elsewhere in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenant. Any Owner acquiring a Lot in the Project in reliance on one or more of such restrictive covenants shall assume all risks of the validity and enforceability thereof and by acquiring the Lot agrees to hold Declarant harmless therefrom.

ARTICLE 8

Architectural Control8.1 Prohibition of Alteration and Improvement

Subject to the exemption of Declarant under Subarticle 10.9 below, no building, fence, wall, obstruction, balcony, screen, patio, patio cover, solar collector, antenna, tent, awning, carport, carport cover, improvement or structure of any kind shall be commenced, erected, painted or maintained upon the Project, nor shall any alteration or improvement of any kind be made thereto until the same has been approved in writing by an Architectural Control Committee (the "Committee") appointed by Declarant or elected by the Board as provided in this article. There shall be no construction, alteration or removal of any structure or improvement in the Project which would impair or affect the integrity or stability of any existing structure and no changes to exterior color schemes in the Project shall be permitted without the prior written consent of the Committee as provided below. No Owner shall install or replace an air-conditioning unit without the prior written approval of the Committee which shall have the right to approve or disapprove the size, shape, noise level and proposed location of such air-conditioning unit.

8.2 Plans and Approval

Plans and specifications showing the nature, kind, shape, color, size, materials and location of such improvements or alterations shall be submitted to the Committee for approval as to quality of workmanship, design and harmony of external design with existing structures and as to location in relation to surrounding structures, topography and finished grade elevation. No permission or approval shall be required to rebuild in accordance with plans and specifications previously approved by the Committee. No landscaping of patios or yards visible from the street or from the Common Area shall be undertaken by any Owner until plans and specifications showing the nature, kind, shape and location of the materials shall have been submitted to and approved in writing by the Committee. In the event the Committee fails to approve or disapprove such plans, specifications and proposed improvement or alteration within forty-five (45) days after said plans and specifications have been submitted to it, written approval by the Committee will not be required and this article will be deemed to have been fully complied with. The restrictions contained in this paragraph shall not apply to the Declarant in any manner. Approval by the Committee shall not be deemed or interpreted to be a warranty or confirmation of any kind concerning the engineering or structural integrity, quality or safety of construction of the proposed improvements or modifications and the Person proposing the same and his agents and contractors shall be solely responsible therefor.

8.3 Architectural Control Committee

The number, appointment and term of members of the Committee shall be as follows:

8.3.1 There shall be three (3) members on the Committee.

8.3.2 Declarant may appoint all of the original members of the Committee who shall serve until they resign or they are removed by the Board in its sole discretion. At any time the Board shall have the power to appoint replacements for or remove and replace any or all of the members of the Committee. Subject to the right and power of the Board to remove and replace, at any time, any member of the Committee, Committee members or replacements appointed by the Board shall serve one (1) year terms.

8.3.3 Committee members appointed by Declarant need not be Members of the Association. Committee members appointed by the Board shall be Members of the Association. Officers and Directors of the Association can be members of the Committee.

ARTICLE 9

Party Walls9.1 Creation of Party Wall Rights and Duties

Each wall, including patio walls, which is constructed as part of the original construction of the Project or as part of any reconstruction thereof, any part of which is placed on the dividing line between separate Lots, shall constitute a party wall or, if not placed on the Lot dividing line as provided in Subarticle 9.2 below, any wall (including portions of the Unit forming such wall) which separates the improvements on one Lot from the improvements on an adjoining Lot, regardless of the location of the wall on the Lots, shall constitute a party wall. With respect to any such wall, each of the adjoining Owners shall assume the burdens and be entitled to the benefits of these restrictive covenants and, to the extent not inconsistent herewith, the general rules of law regarding party walls shall be applied thereto. Without limiting the generality of the foregoing, in the event any party wall is wholly or partially damaged or in need of maintenance (exclusive of painting of portions of the Units which shall be governed as provided in Subarticles 9.2 and 10.5 below) or repair, (other than as a result of any actions of the Owners, or their guests, tenants, agents or members of their family, which shall be subject to the provisions of Subarticle 9.3), then, each of the adjoining Owners shall share equally in the cost of replacing the party wall or restoring the same to its original condition.

9.2 Use and Benefit Easements.

9.2.1 Creation of Easement. The Declarant anticipates that the Units will be separated by fences or party walls and that these will not always fall exactly on a Lot line. When a fence or wall falls within an Owner's Lot, the Property outside such fence (but within said Owner's Lot) shall be an Easement Area as hypothetically represented on Exhibit "E" attached hereto and incorporated herein by this reference (the "Easement Area"). The Easement Area shall be for the use and benefit of the Lot adjoining the Easement Area (the "User Lot"). The Lot upon which the Easement Area is situated shall be referred to in this subarticle as the "Easement Lot". Hypothetical Easement Areas are illustrated on Exhibit "E" as examples and for definitional purposes. However, the exact dimensions and location of the Easement Areas shall differ on each Lot affected thereby and shall be established by the as-built walls and Unit hereafter constructed by the Declarant on the Lot. Not every Lot will be burdened or benefited by an Easement Area and some Easement Lots will be burdened by an Easement Area in favor of a User Lot without that Easement Lot in turn being benefited by an Easement Area on another Lot; the as-built walls and Units constructed on the Lots by Declarant, in its sole discretion, will determine these matters.

9.2.2 Dimensions of Easements. The exact dimensions and configuration of the Easement Areas stated herein shall be established by the as-built walls and Units constructed by the Declarant. The length of each Easement Area shall begin with the as-built front patio or yard wall of the Easement Lot, which joins the Unit constructed on the Easement Lot, and shall run to the as-built rear patio or yard wall on the Easement Lot. As depicted on Exhibit "E", the Easement Area for any particular Lot shall include the width from the Easement Lot boundary adjoining the User Lot to the side patio or yard wall as-built (including any portion of the Unit on the Easement Lot forming a part of the wall as-built).

9.2.3 Use and Maintenance of Easement Areas.

9.2.3.1 The "User Lot Owner" shall have the sole right and obligation to landscape and otherwise maintain the Easement Area. The User Lot Owner shall protect and hold harmless the Easement Lot Owner from any liens, claims or liabilities arising out of or connected with the use of the Easement Area by the User Lot Owner and his guests, tenants, agents and family members, provided, however, that each Lot Owner shall be solely responsible for the taxes and assessments levied against his Lot. No use shall be made of the Easement Area which will become an annoyance or nuisance to the Easement Lot Owner, or which will interfere with the rights of the Easement Lot Owner under Subarticles 9.2.3.2, 9.2.3.3, and 9.2.3.4.

9.2.3.2 Each Easement Lot Owner shall have the right, as necessary, to come upon an Easement Area established for the benefit of an adjoining User Lot and the User Lot Owner thereof, solely for purposes of painting, maintaining and repairing the exterior of the Unit on his Lot, as required under Subarticle 10.5, or to repair, maintain, and/or restore his common wall; (and said Easement Lot Owner shall have the sole obligation to paint, maintain and repair the exterior of his Unit, including walls thereof forming a boundary of an Easement Area) provided, however, that such entry shall be allowed only during daylight hours and with the prior knowledge of the User Lot Owner.

9.2.3.3 The Easement Lot Owner shall have the right of drainage over, across and upon the Easement Area for water resulting from the normal use of his Lot, including, but not limited to, drainage from the roof of the Unit on his Lot. Neither the Easement Lot Owner nor the User Lot Owner shall do anything to affect, disrupt, change or limit the drainage ability of their Lots as originally developed and constructed by Declarant without the prior written approval of the other Owner and the Association. Without limiting the foregoing, all Owners acknowledge that pools, spas, landscaping, grade changes and/or other changes or construction can seriously affect, disrupt, change and limit the drainage ability of the property resulting

in significant property damage. Each Owner shall indemnify and hold harmless the other from and against any and all losses, damages, costs, expenses and attorneys' fees incurred or sustained by such indemnified Owner as a result of the violation of these provisions by the indemnifying Owner.

9.2.3.4 The Easement Lot Owner shall have the right to maintain eaves or projections or other architectural features over the Easement Area as such eaves or features are part of the originally constructed Unit located upon the Easement Lot.

9.3 Damage by Act of Owner

In the event any such party wall is damaged or destroyed through the act of one adjoining Owner or any of his guests, tenants, licensees, agents or members of his family (whether or not such act is negligent or otherwise culpable) so as to deprive the other adjoining Owner of the full use and enjoyment of such wall, then the first of such Owners shall be liable and responsible therefor and shall forthwith proceed to rebuild and repair the same to as good a condition as formerly existed without cost to the adjoining Owner. The adjoining Owner shall be entitled to commence an action at law or in equity under Arizona law to enforce this responsibility and duty and/or recover damages therefor.

9.4 Negligence

Notwithstanding any other provision of this article, an Owner who, by his negligent or willful act, causes any party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

9.5 Alterations or Modifications

In addition to meeting the other requirements of these restrictive covenants and of any building code or similar regulations or ordinances, any Owner proposing to modify, make additions to or rebuild his Lot or Unit in any manner which requires the extension or other alteration of any party wall shall first obtain the written consent of the adjoining Owner.

9.6 Disputes

In the event of a dispute between Owners with respect to the repair or rebuilding of a party wall, then, upon written request of one of such Owners addressed to the Association, the matter shall be submitted to arbitration under such rules as may from time to time be adopted by the Association and the final decision resulting from such arbitration shall be binding upon the Owners. If no such rules have been adopted, the matter shall be submitted to three arbitrators, one chosen by each of the Owners and the third arbitrator to be chosen within five (5) days

by any judge of the Superior Court of Maricopa County, Arizona. A determination of the matter signed by any two of the three arbitrators shall be binding upon the Owners who shall share the cost of arbitration equally. In the event one Owner fails to choose an arbitrator within ten (10) days after personal receipt of a request in writing for arbitration from the other Owner, then said requesting Owner shall have the right and power to choose both arbitrators. Arbitration decisions shall be fully enforceable and may be lodged with the Maricopa County Superior Court under prevailing rules for purposes of obtaining a judgment therefor.

9.7 Benefit and Binding Effect; Attorneys' Fees.

These easements and covenants shall be binding upon the heirs and assigns of every Owner and shall run with and bind the title to all Lots within the Property, but no Person shall be liable for any act or omission respecting any party wall except such as took place while said Person was an Owner. In the event any party commences any action to enforce the terms or provisions of this Article 9, the prevailing party in such action shall be entitled to recover all costs and reasonable attorneys' fees incurred in connection therewith.

ARTICLE 10

General Provisions10.1 Invalidity of Any Provision

Should any provision of this Declaration be declared invalid or in conflict with any law of the jurisdiction where the Project is situated, the validity of all other provisions shall remain unaffected and in full force and effect.

10.2 Amendments

Subject to the standards set forth in any applicable laws, regulations or ordinances of any governmental or quasi-governmental body or agency having jurisdiction over the Project and the rights of the Owners and First Mortgagee provided herein, this Declaration and/or the Map may be amended only by the vote or written assent of the Owner(s) of seventy-five percent (75%) or more of the Lots (with one vote per Lot whether or not Class B Membership has terminated under Subarticle 3.4), provided however, that as long as ABD has any interest in all or any part of the Property, no amendment may be made without the consent of ABD as detailed in Article 11 hereof, which shall not be unreasonably withheld, and further provided that the percentage of the voting power necessary to amend a specific clause or provision shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause. The requirements of Subarticle 10.2.1 for the amendment of certain provisions of the Project Documents shall be in addition to the requirements set forth in this Subarticle 10.2.

Declarant may alter the size of and boundaries between Lots at any time so long as (a) such altered Lots are owned by Declarant, (b) all First Mortgagees then encumbering such altered Lots agree in writing to such alterations and (c) such alterations do not modify or change the size or the boundaries of any Lots not owned by Declarant.

10.2.1 Additional Requirements for Amendment of Certain Provisions

The following subarticles do not apply to amendments to the Project Documents or termination of the Project made as a result of destruction, damage or condemnation:

10.2.1.1 The consent of Owners of Lots to which at least seventy-five percent (75%) of the votes in the Association are allocated and the approval of Eligible First Mortgagees (as defined in Subarticle 10.4.3.1.4) holding First Mortgages on Lots which have at least sixty-seven percent (67%) of the votes of Lots subject to First Mortgages held by Eligible First Mortgagees shall be required to terminate the legal status of the Project as a subdivision under Arizona law; and

10.2.1.2. The consent of Owners of Lots to which at least seventy-five percent (75%) of the votes in the Association are allocated and the approval of Eligible First Mortgagees holding First Mortgages on Lots which have at least fifty-one percent (51%) of the votes of Lots subject to First Mortgages held by Eligible First Mortgagees shall be required to add to or amend any "material" provisions of the Project Documents which establish, provide for, govern or regulate any of the following:

10.2.1.2.1 Voting;

10.2.1.2.2 Assessments, Assessment liens or subordination of such liens;

10.2.1.2.3 Reserves for maintenance, repair and replacement of the Common Area and other areas of the Project for which Association has maintenance and repair responsibility hereunder;

10.2.1.2.4 Insurance or fidelity bonds;

10.2.1.2.5 Rights to use of the Common Area;

10.2.1.2.6 Responsibility for maintenance and repair of the various portions of the Project;

10.2.1.2.7 Expansion or contraction of the Project or the addition, annexation or withdrawal of property to or from the Project;

10.2.1.2.8 Boundaries of any Lot;

10.2.1.2.9 Common Interests of the Lots;

10.2.1.2.10 Convertibility of Lots into Common Area or of Common Area into Lots;

10.2.1.2.11 Leasing of Lots;

10.2.1.2.12 Imposition of any right of first refusal or similar restriction on the right of a Lot Owner to sell, transfer or otherwise convey his/her Lot; and;

10.2.1.2.13 Any provisions which are for the express benefit of Mortgagees, Eligible First Mortgagees or Eligible Insurers or Guarantors (as defined in Subarticle 10.4.3.2) of First Mortgages on Lots.

10.2.1.3 An addition or amendment to the Project Documents shall not be considered "material" if it is for the purpose of correcting technical errors or for clarification only. An Eligible First Mortgage which receives a written request to approve additions or amendments under Subarticle 10.2.1.1 or 10.2.1.2 and which does not deliver or post to the requesting party a negative response within thirty (30) days shall be deemed to have approved such request.

10.3 Encroachment Easements

Each Unit and Lot within the Project is hereby declared to have an easement over all adjoining Units and Lots and the Common Area for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of buildings or any other similar cause. There shall be valid easements for the maintenance of said encroachments as long as they shall exist, and the rights and obligations of Owners shall not be altered in any way by said encroachment, settlement or shifting, provided however, that in no event shall a valid easement for encroachment be created in favor of an Owner or Owners if said encroachment occurred due to the willful misconduct of said Owner or Owners. In the event a Unit is partially or totally destroyed and then repaired or rebuilt, the Owners of all Lots agree that minor encroachments over adjoining Units or Lots or the Common Area shall be permitted and that there shall be a valid easement for the maintenance of said encroachments so long as they shall exist.

10.4 Mortgage Protection Clause

10.4.1 Rights of First Mortgages

10.4.1.1 No breach of any of the covenants, conditions and restrictions contained in this Declaration, nor the enforcement of any lien provisions herein, shall render invalid the lien of any First Mortgage on any Lot, but all of said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure, trustee's sale or otherwise.

10.4.1.2 An action to abate the breach of any of these covenants, conditions, restrictions and reservations may be brought against the purchaser who has acquired title through foreclosure of a First Mortgage and the subsequent sheriff's sale (or through any equivalent proceedings) and the successor in interest to said purchaser, if the breach continues to exist after the time said purchaser acquired an interest in such Lot.

10.4.1.3 During the pendency (including any period for redemption) of any proceedings to foreclose a First Mortgage (or from the time a trustee under a first deed of trust has given notice of sale pursuant to the

2403-00205

power of sale conferred under the deed of trust and pursuant to law), the First Mortgagee, or a receiver appointed in any such action, may but need not exercise any or all of the rights and privileges of the Owner of the Lot in default, including but not limited to the right to vote as a Member of the Association in the place and stead of the defaulting Owner.

10.4.1.4 Notwithstanding anything contained herein to the contrary, at such time as the First Mortgagee shall become record Owner of a Lot, the First Mortgagee shall be subject to all of the terms and conditions of this Declaration, including but not limited to the obligations to pay all Assessments and charges accruing thereafter in the same manner as any other Lot Owner.

10.4.2 Changes Requiring Approval of Mortgagees

Notwithstanding anything to the contrary contained in this Declaration, without the prior written approval of Declarant (while Declarant is an Owner of any Units) and of at least two-thirds (2/3) of the First Mortgagees (based upon one (1) vote for each First Mortgage held) or of the Owners other than Declarant (except as provided by statute in case of condemnation or substantial loss to the Units, Lots and/or Common Area of the Project), the Association or Owners shall not be entitled to and no provision of this Declaration shall be applied, effective, interpreted or construed to (or entitle the Association or Owners to):

10.4.2.1 Change the Common Interests of the Lots, the share of Assessments charged to any Lot or the method of determining such Assessments (except as provided in Subarticle 2.5);

10.4.2.2 By act or omission, seek to terminate or abandon the status of the Project as a subdivision under Arizona law (this requirement is expressly additional to all requirements of Subarticle 10.2.1.1);

10.4.2.3 Allow partition or subdivision of any Lot except as provided in Subarticle 2.4;

10.4.2.4 Change the interest of any Lot in the allocation or distribution of hazard insurance proceeds or condemnation awards (except as provided in Subarticle 2.5);

10.4.2.5 By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer any portion or element of the Common Area (the granting of easements for public utilities or for other public purposes consistent with the intended use of such Property shall not be deemed a transfer within the meaning of this clause);

10.4.2.6 Use hazard insurance proceeds for losses or damages to any portion of the Project for other than the repair, replacement or reconstruction thereof;

10.4.2.7 Fail to maintain fire and extended coverage on the Common Area on a current replacement cost basis in an amount equal to not less than one hundred percent (100%) of the insurable value (based on current replacement cost); or

10.4.2.8 By act or omission, change, waive, or abandon any scheme of regulations or their enforcement pertaining to the architectural design or the exterior appearance of the Units, the exterior maintenance of the Units, or the maintenance of the Common Area.

The foregoing requirements are in addition to the requirements set forth in Subarticle 10.2.

10.4.3 Rights of First Mortgagees and Insurers or Guarantors of First Mortgages

10.4.3.1 Upon written request to the Association identifying the name and address of the First Mortgagee for any Lot or the insurer or guarantor of such First Mortgage and the Lot number or address, any such First Mortgagee or insurer or guarantor of such First Mortgage will be entitled to timely written notice of:

10.4.3.1.1 Any condemnation loss or any casualty loss which affects a material portion of the Project or any Lot on which there is a First Mortgage held, insured or guaranteed by such First Mortgagee or insurer or guarantor, as applicable;

10.4.3.1.2 Any delinquency in the payment of Assessments or charges owed or other default in the performance of obligation under the Project Documents by an Owner of a Lot subject to a First Mortgage held, insured or guaranteed by such First Mortgagee or insurer or guarantor which remains uncured for a period of sixty (60) days;

10.4.3.1.3 Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and

10.4.3.1.4 Any proposed action which would require the consent of a specified percentage of "Eligible First Mortgagees" (meaning First Mortgagees who have filed a written request as described above in this Subarticle 10.4.3.1) as specified in Subarticle 10.4.3.2 or in Subarticle 10.2.

10.4.3.2 When professional management previously has been required by an Eligible First Mortgagee

2403-00205

or any "Eligible Insurer or Guarantor" (meaning an insurer or governmental guarantor of a First Mortgage which has requested notice of certain matters in accordance with Subarticle 10.4.3.1 above), whether such entity became an Eligible First Mortgagee or Eligible Insurer or Guarantor at that time or later, any decision to establish self-management by the Association shall require the prior consent of Owners of Lots to which at least sixty-seven percent (67%) of the votes in the Association are allocated and the approval of Eligible First Mortgagees of Lots which have at least fifty-one percent (51%) of the votes of Lots subject to First Mortgages held by Eligible First Mortgagees.

10.4.4 Mortgage Priority

Notwithstanding any language contained in this Declaration to the contrary, no Lot Owner and no other party shall have priority over any rights of First Mortgagees pursuant to their Mortgages in the case of a distribution to Lot Owners of insurance proceeds or condemnation awards for losses to or taking of Lots and/or any portion or element of the Common Area and no changes to this Declaration providing for priority over such rights of First Mortgagees shall be made without the prior written consent of all First Mortgagees.

10.4.5 Compliance with FHLMC and FNMA Regulations

The Declarant intends that the Project shall comply with all requirements of the Federal Home Loan Mortgage Corporation (FHLMC) and the Federal National Mortgage Association (FNMA) pertaining to the purchase by the FHLMC and FNMA of conventional home loans. Declarant and all Lot Owners therefore agree that, in the event the Project or any of the Project Documents do not comply with the FHLMC and FNMA requirements, the Board shall have the power (on behalf of the Association) to enter into any agreement with the FHLMC or FNMA (or its designee) reasonably required by the FHLMC or FNMA to allow the Project to comply with such requirements and make such changes in the Project Documents to effectuate the same.

10.4.6 Payment of Taxes and Insurance Premiums by Mortgagees

First Mortgagees may, jointly or singly, pay any taxes, Assessments or other charges which are in default and which may or have become a lien or charge against the Common Area and may pay overdue premiums on hazard insurance policies (or secure new hazard insurance coverage on the lapse of a policy) for the Common Area. Any First Mortgagee making such payments shall be entitled to immediate reimbursement therefor from the Association.

10.4.7 Owner's Right to Sell Lot

The right of any Owner to sell, transfer or otherwise convey his Lot shall not be subject to any right of first refusal or any similar restriction in favor of the Association.

10.4.8 Right to Inspect Documents; Audited Financial Statements

The Association shall make available to Owners, Mortgagees and insurers or guarantors of First Mortgages current copies of the Declaration, Articles, Bylaws, rules of the Association and the books, records and financial statements of the Association. "Available" means available for inspection (and copying at the expense of the requesting party), upon request, during normal business hours or under other reasonable circumstances. In addition, First Mortgagees holding fifty-one percent (51%) or more of First Mortgages shall be entitled to have prepared, at their expense, an audited financial statement of the Association for the immediately preceding fiscal year if one is not otherwise available, and the Association shall have prepared and distributed such statement to the First Mortgagees requesting it within a reasonable time following receipt by the Association of the required requests.

Notwithstanding the foregoing paragraph, at any time when there are fifty (50) or more Lots in the Project, any First Mortgagee or any holder or insurer of any First Mortgage shall be entitled, upon written request, to receive an audited financial statement for the immediately preceding fiscal year without charge to the party so requesting. Any financial statement requested pursuant to the foregoing provision shall be furnished within a reasonable time following receipt by the Association of the request.

10.5 Owner's Right and Obligation to Maintain and Repair

Except for those portions of the Project which the Association is required to maintain and repair (including front yard landscaping as described in Subarticle 5.1), and except as provided in Subarticle 9.2, each Lot Owner shall, at his sole cost and expense, maintain and repair his Unit and Lot, keeping the same in good condition. Without limiting the foregoing, each Lot Owner shall be solely responsible for watering all vegetation, flora or cacti located in the front yard of the Owner's Lot in a manner which promotes the growth and well being of the same, for replacing any vegetation, flora or cacti which die or become unsightly due to the Owner's failure to maintain an adequate watering schedule (subject to Article 8 above). As provided in Subarticle 5.1, no Owner shall be absent from his Lot and Unit for any extended period without making adequate arrangements for watering front yard landscaping (taking into consideration weather and seasonal conditions). Any glass surfaces of a Unit

which are damaged shall be repaired by the Owner within seven (7) days of such damage. Each Owner shall have the exclusive right to paint, plaster, panel, tile, wax, paper or otherwise refinish and decorate the exterior and inner surfaces of the walls, ceilings, floors, windows and doors bounding his Unit subject to the further provisions of Article 3 hereof.

In the event an Owner fails to either adequately water all vegetation, flora or cacti on his front yard or to promptly replace the same should they die or become unsightly due to Owner's failure to maintain an adequate watering schedule, the Board shall have the right to notify such Owner of this failure and request that all remedial steps including watering or replacement of plants, if necessary, be done within ten (10) days from such notice or sooner, if seasonal weather conditions so require. Should the Owner fail to take the required action, the Board shall have the right to cause the watering or replacement of the front yard landscaping as necessary and may specially assess the cost thereof to such Owner and collect and enforce said Assessment as provided in Article 4 above. Without limiting the foregoing, in the event an Owner fails to maintain his Unit or Lot as provided herein in a manner which the Board deems necessary to preserve the appearance and value of the Property, the Board shall have the right to notify such Owner of the work required and request that it be done within thirty (30) days from the giving of such notice. In the event an Owner fails to carry out such maintenance within said period, the Board shall have the right to cause such work to be done and may specially assess the cost thereof to such Owner and collect and enforce said Assessment as provided in Article 4 above.

10.6 Entry Onto Lots

The Board or its agents may enter any Lot when necessary in connection with any repairs, maintenance, landscaping or construction for which the Association is responsible or for any other purpose reasonably related to the performance by the Association of its responsibilities under this Declaration. Such entry shall be made during reasonable hours and upon reasonable notice, unless it would be impractical to give notice in an emergency, and with as little inconvenience to the Owner as practicable, and any damage caused thereby shall be repaired by the Board at the expense of the Association. Provided front yard maintenance for which the Association is responsible is done during reasonable daytime hours, no special notice to the Owner of entry for those purposes shall be required. No Owner shall do any act or create any obstruction which would unreasonably interfere with the right or ability of the Association to perform any of its obligations or exercise any of its rights under this Declaration.

10.7 Insurance; Damage or Destruction

10.7.1 Reconstruction by Lot Owners

Subject to other provisions of this Declaration, in the event of damage to or destruction of any part of a Unit or Lot, the Owner shall reconstruct the same as soon as reasonably practicable and substantially in accordance with the original plans and specifications therefor or shall remove all debris from the Lot such that the Lot does not have an unsightly appearance or otherwise constitute a nuisance to neighboring Lots. Each Owner shall have an easement of reasonable access into any adjacent Lot for purposes of repair or reconstruction of his Unit as provided in this subarticle.

10.7.2 Association Liability Insurance

The Association shall obtain and continue in effect comprehensive public liability insurance insuring the Association, the Declarant, the agents and employees of each and the Owners and their respective family members, guests and invitees against any liability incident to the ownership or use of the Common Area and facilities in the Recreational Common Area, including, if obtainable, a cross-liability endorsement insuring each insured against liability to each other insured and a "severability of interest" endorsement precluding the insurer from denying coverage to one Owner because of the negligence of other Owners or the Association. Such insurance shall be in amounts deemed appropriate by the Board but, in any event, shall be in amounts which satisfy FHLMC and FNMA requirements as amended from time to time.

10.7.3 Master Hazard Insurance

Additionally, the Association shall obtain and continue in effect a master or blanket policy of multi-peril insurance on the Common Area, providing at a minimum fire and extended coverage and all other coverage in the kinds and amounts required by FHLMC and FNMA regulations as amended from time to time, said coverage to be obtained on a replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based upon replacement cost) of all Common Area improvements in the Project. Such policy shall contain extended coverage and replacement cost endorsements (providing for replacement of insured improvements from insurance loss proceeds) and may also contain vandalism and malicious mischief coverage, stipulated amount clause and a determinable cash adjustment clause or a similar clause to permit cash settlement covering the full value of the Common Area improvements in the event of destruction and a decision not to rebuild pursuant to this Declaration. If the Project is located in an area identified by the Secretary of Housing and Urban Development as an area having special flood hazards, a "blanket" policy of flood insurance on

the Common Area in the Project shall be maintained in an amount equal to the maximum limit of coverage available under the National Flood Insurance Act of 1968, as amended, whichever is less. Such policies shall be in form and amount as determined by the Board but, in any event, shall always satisfy FHLMC and FNMA requirements as amended from time to time, shall name as insured the Association, and shall provide that any proceeds be paid to the Association for the use and benefit of the Owners and Mortgagees as their interests may appear. Such policy shall not be required to insure individual Lots or Units or the personal property within any individual Lot, which insurance shall be the responsibility and risk of the Lot Owners.

10.7.4 Additional Association Insurance

The Association may purchase such other insurance as it may deem necessary, including without limitation plate glass, workmen's compensation, directors liability and errors and omissions insurance, and shall purchase fidelity coverage against dishonest acts by any directors, managers, trustees, employees or volunteers of the Association who are responsible for handling funds belonging to or administered by the Association. The fidelity insurance shall name the Association as the insured and shall provide coverage in an amount not less than one and one-half (1-1/2) times the Association's estimated annual operating expenses and reserves.

10.7.5 Choice of Carriers; Insurance Premiums

The insurance policies required under this Sub-article 10.7 shall be acquired from carriers meeting the qualifications specified by the FHLMC and FNMA from time to time. Insurance premiums shall be a Common Expense to be included in the Assessments levied by the Association.

Neither the Declarant, the Association nor any officer or director thereof shall be liable to any Owner or other party if any risk or hazard is not covered by insurance or the amount is inadequate. Each Owner is responsible for ascertaining the Association's coverage and for procuring such additional coverage as such Owner deems necessary. First Mortgagees may pay overdue premiums and may secure new insurance coverage upon the lapse of any policy with respect to any insurance required to be maintained by the Association or by any Owner under this Declaration, and any First Mortgagee making such an expenditure shall be entitled to immediate reimbursement from the Association or Owner on whose behalf the expenditure was made.

10.7.6 Proceeds from Insurance

Any insurance proceeds payable from policies procured by the Association on account of any loss or damage shall be used to defray such loss or damage. With respect to the damage or destruction of any Common Area or improvements thereon,

the Association, acting through its Board shall promptly repair, replace and rehabilitate all structures and things damaged or destroyed. Construction and design of any improvements shall be substantially similar to the prior condition of the Common Area and improvements thereon. Should insurance proceeds not be sufficient or should the damage not be covered by insurance, repairs or replacements shall be effected and paid for by levying a special Assessment on all Lot Owners to restore or rebuild said improvements. The Association's use of funds from its general account or levy of a special Assessment shall not constitute a waiver of the Association's or any Owner's right to institute any legal proceeding or suit against the Person or Persons responsible, purposely or negligently, for the damage.

10.7.7 Total Destruction

In the event the improvements in the Common Area are totally or substantially damaged or destroyed, the First Mortgagees shall receive timely notice thereof. The repair, reconstruction or disposition of the Common Area and insurance proceeds shall be as provided by an agreement approved by not less than fifty-one percent (51%) of the votes of each class of membership and not less than seventy-five percent (75%) of all First Mortgagees [based on one (1) vote for each Mortgage held].

10.7.8 Waiver of Subrogation; Notice of

Cancellation

All property and liability insurance carried by the Association or the Owners shall contain provisions whereby the insurer waives rights of subrogation as to the Association, officers, directors, Members and their guests, agents and employees. All insurance carried by the Association shall contain a provision requiring the insurer to notify First Mortgagees requesting notice of cancellation at least thirty (30) days in advance of the effective date of any reduction in or cancellation of the policy.

10.7.9 Additional Insurance Requirements

It is the intent of Subarticle 10.7 of this Declaration to generally set forth the insurance requirements for the Project which are, at all times, to comply with FHLMC and FNMA requirements. Because FHLMC and FNMA Project insurance requirements are very lengthy and subject to change from time to time, it is impractical to set forth all of these requirements herein. Therefore, the Association, Board and Owners shall at all times carry, maintain in good standing and pay for all hazard, liability, fidelity and other insurance policies, binders and bonds required by the FHLMC and FNMA, and FHLMC and FNMA regulations or guidelines as such requirements change from time to time, and shall provide satisfactory evidence thereof promptly to any First Mortgagee or insurer or guarantor of any First Mortgage which requests such evidence. All such policies,

binders and bonds shall comply with and be consistent in form and substance with all such FHLMC and FNMA requirements as they change from time to time, and shall include all mortgage clauses and endorsements of any kind or nature required by the FHLMC and FNMA, and FHLMC and FNMA regulations or guidelines as such requirements change from time to time.

10.8 Condemnation

Upon receipt of notice of intention or notice of proceedings whereby all or any part of the Project is to be taken by any governmental body by exercise of the power of condemnation or eminent domain, all Owners and First Mortgagees shall be immediately notified by the Association thereof. The Association shall represent the Owners in any condemnation or eminent domain proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of any part of the Common Area of the Project, and every Owner appoints the Association his/her attorney-in-fact for this purpose. The entire award made as compensation for such taking of Common Area, including but not limited to any amount awarded as severance damages, or the entire amount received and paid in anticipation and settlement for such taking, after deducting therefrom, in each case, reasonable and necessary costs and expenses, including but not limited to attorneys' fees, appraisers' fees and court costs (which net amount shall hereinafter be referred to as the "Award"), shall be paid to the Association as trustee for the use and benefit of the Owners and their First Mortgagees as their interests may appear. The Association shall, as it is practicable, cause the Award to be utilized for the purpose of repairing and restoring the Project, including, if the Association deems it necessary or desirable, the replacement of any improvements so taken or conveyed.

In the event of any taking of any Lot in the Project by eminent domain, the Owner of such Lot shall be entitled to receive the award for such taking, and after acceptance thereof he and all of his Mortgagees shall be divested of all interest in the Project if such Owner shall vacate his Lot as a result of such taking. The remaining Owners shall decide by majority vote whether to rebuild or repair the Project or take other action. The remaining portion of the Project shall be resurveyed, if necessary, and the Declaration shall be amended to reflect such taking. In the event of a taking by eminent domain of more than one Lot at the same time, the Association shall participate in the negotiations and shall propose the method of division of the proceeds of condemnation where Lots are not valued separately by the condemning authority or by the court.

10.9 Limitation of Restrictions on Declarant; Additional Restrictions on Declarant

Declarant is undertaking the work of construction of the Units and incidental improvements upon the Property. The

completion of that work and the sale, rental and other disposal of the Lots are essential to the establishment and welfare of the Project as a residential community. In order that said work may be completed and said Project be established as a fully occupied residential community as rapidly as possible, nothing in this Declaration shall be understood or construed to:

10.9.1 Prevent Declarant, its contractors or subcontractors from doing on the Project or any Lot whatever is reasonably necessary or advisable in connection with the completion of the work;

10.9.2 Prevent Declarant or its representatives from erecting, constructing and maintaining on any part or parts of the Project such structures (including construction trailers, equipment and materials storage sites) as may be reasonable and necessary for the conduct of its business of completing said work and establishing said Project as a residential community and disposing of the same in parcels by sale, lease or otherwise;

10.9.3 Prevent Declarant from conducting on any part of the Project its business of completing the work and of establishing a plan of Lot ownership and of disposing of said Project in Lots by sale, lease or otherwise; or

10.9.4 Prevent Declarant from maintaining such sign or signs on any portion of the Project as may be necessary for the sale, lease or disposition thereof.

So long as Declarant or its successors or assigns owns one or more of the Lots established and described in this Declaration and, except as otherwise specifically provided herein, Declarant and its successors or assigns shall be subject to the provisions of this Declaration. Without limiting the further and more restrictive provisions of Subarticle 3.1 hereof, Declarant shall not, and shall not have authority or power to, bind the Association prior to termination of Class B Membership, either directly or indirectly, to contracts or leases (including management contracts or contracts providing for services of the Declarant or any affiliate of Declarant) unless the Association is provided with a right of termination of any such contract or lease which is exercisable without penalty or payment of a termination fee upon not more than thirty (30) days' notice for cause and not more than ninety (90) days' notice under any other circumstances.

10.10 Termination of Any Responsibility of Declarant

In the event Declarant shall convey all of its right, title and interest in and to the Project to any partnership(s), individual(s) or corporation(s), then and in such event, Declarant shall be relieved of the performance of any further duty or obligation hereunder, and such partnership(s), individual(s) or corporation(s) shall be obligated to perform all such duties and obligations of the Declarant.

10.11 Owner's Compliance

Each Owner, tenant or occupant of a Lot shall comply with the provisions of the Project Documents and all decisions and resolutions of the Association or its duly authorized representative(s), and failure to comply with any such provisions, decisions or resolutions shall be grounds for an action to recover sums due, for damages (including costs and attorneys' fees) and/or for injunctive relief. All agreements and determinations lawfully made by the Association in accordance with the voting percentages established in this Declaration or in the Bylaws shall be deemed to be binding on all Lot Owners, their successors and assigns.

10.12 Conflict of Project Documents

If there is any conflict among or between the Project Documents, the provisions of this Declaration shall prevail. Thereafter, priority shall be given to Project Documents in the following order: Map, Articles, Bylaws and rules and regulations of the Association.

10.13 Persons Entitled to Enforce Declaration

The Association, any Owner and any governmental or quasi-governmental agency or municipality having jurisdiction over the Project shall have the right to enforce, by any proceeding at law or in equity, all covenants, conditions, restrictions, reservations, liens and charges now or hereafter imposed by this Declaration, and in such action shall be entitled to recover costs and reasonable attorneys' fees as are ordered by the Court, provided however, that an individual Owner shall have no right to enforce the collection of any Assessment levied against any other Owner under Article 4 above. Failure by any such Person to enforce any such provision shall in no event be deemed a waiver of the right to do so thereafter.

10.14 Remedies for Violation of Declaration

The following provisions are in addition to and not in lieu of any other terms and conditions contained in the Declaration relating to remedies, including but not limited to those contained in Subarticle 4.9.

10.14.1 Violation of any of the covenants, conditions or restrictions, the breach of any of the covenants or agreements contained herein or the breach of any rules and regulations promulgated by the Board, whether by an Owner or occupant of any Lot, shall enable the Association, acting through the Board or an authorized agent, to enter the Lot as to which said violation or breach may exist and summarily enforce such covenants, conditions, restrictions, agreements, rules and regulations and to abate and remove the thing or condition which

may exist thereon contrary to the provisions hereof, at the sole expense of the Owner of said Lot, without being deemed guilty of having trespassed in any manner, provided however, that an appropriate court order shall be required before any items of construction can be removed or altered.

10.14.2 In the event of any default by an Owner or occupant under the provisions of this Declaration, the Articles, the Bylaws or the rules and regulations of the Association, the Association, its successors and assigns, acting through the Board or an authorized agent, shall have each and all of the rights and remedies which may be provided for in this Declaration, the Articles, the Bylaws and said rules and regulations or which may be available at law or in equity, including but not limited to an action for the appointment of a receiver for the Lot without regard to the value of such Lot or the solvency of such Owner, or for damages, injunction, specific performance or for a judgment for payment of money and collection thereof. Nothing contained in this Declaration shall preclude the Association, its agents, the Board, Declarant, an aggrieved Owner, a First Mortgagee or other Person having an interest in the Project from exercising any available remedy at law or in equity. All cost and attorneys' fees incurred by the Association in enforcing compliance with this Declaration (whether or not a lawsuit or other legal action is instituted or commenced) or in connection with any legal action or proceedings in connection with any default under this Declaration by an Owner or an occupant of any Lot and all damages, liquidated or otherwise, together with interest as provided in Subarticle 4.1, shall be charged to and paid by such defaulting Owner as provided in Subarticle 4.1. The Association, acting through the Board or its authorized agent, shall have the authority to correct any default and to do whatever may be necessary for such purpose, and all expenses in connection therewith shall be charged to and paid by such defaulting Owner, and such charges shall be part of and be secured by the lien against the defaulting Owner's Lot as provided in Subarticle 4.1. Any amounts charged to an Owner of a Lot pursuant to this Subarticle 10.14, Subarticle 4.1 or Subarticle 4.9 shall be immediately due and payable upon notice to the Owner unless a specific due date is established therefor pursuant to this Declaration.

10.14.3 Anything to the contrary herein notwithstanding, any breach of any of the covenants, conditions, restrictions, reservations and servitudes provided for in this Declaration shall not defeat or adversely affect the lien of any First Mortgagee upon any Lot but, except as herein specifically provided, each and all of said covenants, conditions, restrictions, reservations and servitudes shall be binding upon and effective against any lessee or Owner of a Lot whose title thereto is acquired by foreclosure, trustee's sale, sale, deed in lieu of foreclosure or otherwise.

10.15 Waiver; Remedies Cumulative

No failure or delay on the part of any Person in exercising any right, power or privilege hereunder and no course of dealing between or among the Persons subject hereto shall operate as a waiver of any provision hereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein expressly provided are cumulative and not exclusive of any rights or remedies which any Person subject hereto would otherwise have. No notice to or demand upon any Person in any case shall entitle such Person to any other or further notice or demand in similar or other circumstances or constitute a waiver of rights to any other or further action in any circumstances.

10.16 Judicial Proceedings

All Owners agree that any matter arising under this Declaration may be finally adjudged or determined in any court or courts of the State of Arizona or of the United States of America having jurisdiction in the State of Arizona, and such Owners hereby submit generally and unconditionally to the jurisdiction of such courts and of any of them in respect to any such matter, provided however, as to those matters to be submitted to arbitration pursuant to any provision hereof, such arbitration provisions shall be controlling and prevail. For the purpose of instituting or defending any action with respect to the Common Area, or with respect to any matter affecting the Owners with respect to the Common Area, and further in connection with enforcing this Declaration, the Articles, the Bylaws and any rules and regulations adopted pursuant to this Declaration, the Articles or the Bylaws, or in any other instance where the Board and/or the Members of the Association deem it is necessary for the best interest of the Project as a whole, the Association, acting by and through its Board, shall be deemed the real party in interest and is hereby authorized to commence and prosecute any such proceedings or to defend any such action. Nothing contained in this Subarticle 10.16 shall be deemed or construed to impose upon the Association, its Members or the Board any liabilities or obligations nor grant to any third party or parties any rights that any of said above-named parties would not otherwise have if this article were not contained herein.

10.17 Governing Law

This Declaration and the rights and obligations of the parties hereunder shall be construed in accordance with and be governed by the laws of the State of Arizona.

10.18 FHA/VA

As long as there is Class B Membership, the following actions will require the prior approval of the Federal Housing

Administration or the Veterans Administration: Annexation of additional properties, dedication of the Common Arec, amendment of this Declaration and withdrawal or de-annexation of any Property from this Declaration.

10.19 Plurals; Gender

Whenever the context so requires, the use of the singular shall include and be construed as including the plural and the masculine shall include the feminine and neuter.

End of Article 10 Entitled
General Provisions

ARTICLE 11

Rights of ABD Homes, Inc.

In consideration of ABD Homes, Inc. ("ABD") consenting to the recording of this Declaration, notwithstanding anything else to the contrary contained herein, the following shall apply.

11.1 Rights Upon Option Lapsing

If Declarant fails to exercise all options to purchase lots in the Property pursuant to the Agreement thereby causing such options to terminate or otherwise lapse, then ABD shall take title to such lots free of any interest of Declarant and shall have the right in regard to any lots subject to such lapsed options to:

1. Cause such lots to be subject to the Declaration and included within the Project by recording a notice of annexation or by following the annexation procedures for the Phased plan of development under Subarticle 2.5;
2. Once any such Lots are included within the Project, ABD may build improvements on such Lots and such improvements built by or on behalf of ABD will not be subject to review by the Committee (provided that any alteration thereto by a subsequent Owner of such Lot or Unit shall be subject to review by the Committee as provided in Article 8).
3. ABD shall have all rights of Declarant in regard to any such Lots. However, Declarant shall retain its Declarant rights as to any lots which it owns.

11.2 General Rights

Without the written consent of ABD, which shall not be unreasonably withheld, until such time as ABD no longer has any interest in any lot in the Property:

1. No amendment may be made to the Declaration or Map; and
2. No Common Area may be transferred or encumbered by the Association or by Declarant.

11.3 Transfer

All rights of ABD under this Declaration, including without limitation, rights under Subarticles 11.2 and 11.4, may be assigned by ABD to any party acquiring all of ABD's interest in the lots.

11.4 Assessments

11.4.1 ABD shall have no responsibility for Assessments on a lot until the later of a) the lapse of Declarant's rights to purchase such lot pursuant to the Agreement; and b) such lot being included within the Declaration and Project; whereupon ABD shall only be responsible for Assessments occurring thereafter and lots owned by ABD shall be subject to only twenty-five (25%) of the Assessments otherwise applicable until a Unit is constructed on such Lot and is occupied.

11.4.2 ABD shall not be responsible to pay any shortfall in Assessments to operate the Project occurring prior to ABD being subject to Assessments. ABD shall also in no event be liable for shortfalls occurring at any time thereafter once Class B Membership expires or is relinquished by ABD or if ABD elects to pay full Assessments for its Lots. ABD may relinquish Class B Membership at any time.

11.4.3 Once ABD becomes subject to Assessments, no special Assessment may be made to ABD (other than under Subarticle 7.11 for damage to Common Area) without the written consent of ABD until such time as ABD no longer has any interest in a Lot.

11.5 Inclusion of Lots

Upon the failure of Declarant to exercise any option provided for in the Agreement, Declarant agrees to timely subject all lots which Declarant purchased prior to its failure to exercise such option to the Declaration within a reasonable time thereafter consistent with the Phasing pattern set forth in Subarticle 2.5 and subject to Declarant's ability to satisfy governmental agency (including the Veterans Administration, Federal Housing Administration, Federal National Mortgage Association and Federal Home Loan Mortgage Corporation) pre-sale requirement guidelines promulgated by those agencies. Declarant shall not construct any improvement other than single family residential homes on any lots or allow such lots to be used for any other purpose or in violation of this Declaration prior to or after such lots become subject to this Declaration. In all events, all lots purchased by Declarant not previously subjected to this Declaration shall automatically be subject to this Declaration two (2) years after the date an option lapses or the Option Agreement terminates (other than as a result of Declarant's purchase of all available lots thereunder). ABD may record a notice to indicate such occurrence.
